Certification Officer

Vermont Certification is based in part upon current New Jersey Accreditation Certificate of Approval number NLC 240006, October 7, 2024 – June 30, 2025. Laboratories are certified in Vermont based, in part, upon its Primary Accrediting Body(ies) drinking water accreditation(s). Loss of drinking water primary accreditation (in part or whole) constitutes loss of certification in Vermont for the same drinking water tests.
