Commissioner

June 3, 2025

Dear Laboratory Manager:

Your fiscal year 2026 (FY26) laboratory certification renewal application has been processed and a Certificate and Annual Certified Parameter List (ACPL) that reflects the current status of your facility are enclosed. If there are any discrepancies, please contact your Laboratory Certification Officer to verify information and make arrangements for a new ACPL. If the Office of Quality Assurance (OQA) does not receive documentation of any discrepancies before July 11, 2025 this ACPL will be considered final and any changes received thereafter will be treated as a modification application.

Effective with receipt of this letter, your facility's ACPL is valid through June 30, 2026. Both the Certificate and ACPL shall be conspicuously displayed at your facility in a location on the premises that is visible to the public.

As always, we are available to discuss any comments or questions. Please do not hesitate to contact your laboratory certification officer or me.

Sincerely,

Michele M. Potter
Manager

Enclosure: ACPL; Certificate

NELAP ACCREDITED LABORATORY USE OF ITS CERTIFICATE

Laboratory compliance with the applicable TNI standards is required for the maintenance of NELAP accreditation. In addition, the laboratory is required to comply with the following and the New Jersey statutes:

1. NELAP accredited laboratories shall conspicuously display their most recent NELAP accreditation Certificate with the Annual Certified Parameter List (ACPL) in a location on the premises visible to the public;
2. NELAP accredited laboratories shall make accurate statements concerning their NELAP accreditation ACPL and NELAP accreditation status and shall claim accreditation only to the scope for which it has been granted accreditation;
3. NELAP accredited laboratories shall accompany the accreditation body's name and/or the NELAP logo with at least the phrase "NELAP accredited" and the laboratory's accreditation number or other identifier when the accreditation body's name is used on general literature such as catalogs, advertising, business solicitations, proposals, quotations, laboratory analytical reports or other materials;
4. NELAP accredited laboratories shall not use their NELAP certificate, NELAP accreditation status and/or NELAP logo to imply endorsements by the accreditation body;
5. The NELAP accredited laboratories choosing to use the accreditation body's name, making reference to its NELAP accreditation status and/or using the NELAP logo in any catalogs, advertising, business solicitations, proposals, quotations, laboratory analytical reports or other materials, the NELAP accredited laboratory shall;
 - a. Distinguish between proposed testing for which the NELAP accredited laboratory is accredited and the proposed testing for which the NELAP accredited laboratory is not accredited;
 - b. Include the NELAP accredited laboratory's accreditation number or other identifier;
6. The NELAP accredited laboratories upon suspension, revocation or withdrawal of their NELAP accreditation shall;
 - a. Discontinue use of all catalogs, advertising, business solicitations, proposals, quotations, laboratory analytical reports or other materials that contain reference to their past NELAP accreditation status and/or display the NELAP logo, and,
 - b. Return any certificates and ACPL for NELAP accreditation to the accreditation body.

The accreditation body shall take suitable actions, including legal action, when incorrect reference to the accreditation body's NELAP accreditation, misleading use of the laboratory's NELAP accreditation status and/or unauthorized use of the NELAP logo is found in catalogs, advertising, business solicitations, proposals, quotations, laboratory analytical reports or other materials.
