RE: **Current Maryland Water Quality Certificate**
AMA Analytical Services, Inc. (MD Lab ID #262)

Dear Mr.Greenberg,

Enclosed please find the current Certificate for drinking water laboratory certification in the State of Maryland. Also enclosed, the Parameter List outlines each method the lab is certified to analyze for compliance purposes under the Safe Drinking Water Act (SDWA). The certificate and fees are renewable annually.

If you have any changes in methods, personnel, major equipment, ownership, name change, or location, during the year, you are required to advise this office within 30 days.

If you have any questions, please feel free to contact me at helena.singleton@maryland.gov or 410-537-3743.

Sincerely,

Helena Singleton
Laboratory Certification Program Manager
